

Benevolent Fund Needs

In recent months, we have had opportunities to minister to those who have needed a helping hand. We have met those needs by using the Benevolent Fund. Because of this, the fund is being depleted. We will be taking an offering at the end of the service today. We appreciate anything that you feel led to give and Thank you for your generosity.

Vacation Bible School

Thank you to everyone that helped make this year's VBS a great success!

We had 53 children registered with over 40 helpers.

We were able to raise \$385 to go to MDS's work in Puerto Rico. MDS is currently cleaning up and repairing roofs that were damaged during hurricane Maria.

We appreciate everyone that helped and contributed. We couldn't do it without you!
