

- **John & Wendy to Serve with MDS in Saipan**

John and Wendy Colvin will be serving with Mennonite Disaster Service in Saipan from Sept. 19th to Oct. 21st, 2017. John will be the project director and Wendy will be the office manager. They will be helping with rebuilding homes that were devastated by the August 3rd, 2015 Typhoon Soudelor.

Saipan is located about 150 miles northwest of Guam in the Western Pacific, about 3 hours flying time east from Japan, and is the largest island in the Northern Mariana Island Chain.

Please keep them in your prayers for the next five weeks as they serve.

- **Youth Mentoring Program**

The mentoring program is designed to allow wisdom and vitality flow between generations. Our Jr. High and High School youth are paired with an adult to encourage them in the way of the Lord. Mentors are encouraged to pray daily for your youth as well as meet with them at least once a month, e.g., the combined service Sunday, for prayer.

We have a few new youth that are coming into the group that need Mentors. If you would like to volunteer to be a Mentor there is a sign up sheet on the Welcome Center.

- **Drift Creek Campers - Thank You**

The campers who attended Drift Creek Camp during the months of June and July want to share some thoughts about camp with their church family.

I liked:

- the food •games •friends •chapel •tubing
- ping pong night •basketball tournament •awesome counselors
- new Jurassic Park game •hiking •singing •bonding
- memories around the fire ring •everyone is so kind

"It is awesome to see other teenagers on the same path as us"

"listening to the hymns" "I wish it was longer!"

"I like going to camp every year because it's a time to focus on my relationship with God without the distractions of the world"

"I can't wait to go next year!!"

"Thank you for helping us go to camp!"

Thank you to all who helped make this possible for us!
